Mission Statement

Our primary goal is to provide organized play in basketball and baseball for all members, in an environment where sportsmanship, fair play, and participation are the guiding principles. This organization was founded to give children of all skill levels an opportunity to play in a safe, nurturing and healthy atmosphere. It is our philosophy that winning will not overshadow these guiding principles.

The organization works to achieve this mission through its two-tiered program. The league/roster teams are intended to offer opportunities to participate at a level of play that is exclusive of players participating in High School programs. The open/tournament teams are intended to provide opportunities for players who decide that they want to participate at a higher competitive level.
